Docket No. N2012-1

NOTICE OF PUBLIC REPRESENTATIVE OF FILING OF
PUBLIC AND NON-PUBLIC LIBRARY REFERENCES
PR-LR-N2012-1/4 AND PR-LR-N2012-1/NP2

(June 12, 2012)

The Public Representative, in conformance with Rule 31(b)(2), hereby provides notice of filing two library references, one public and one non-public, to support the response of Subramanian Raghavan (PR-T-2) to the Postal Service's Interrogatory USPS/PR-T2-9.

The public library reference, identified as PR-LR-N2012-1/4, contains the outputs for the two LogicNet outputs discussed in the response to USPS/PR-T2-9. The nonpublic library reference, identified as PR-LR-N2012-1/NP2, contains information present in the Postal Service's nonpublic library reference USPS-LR-N2012-1/NP2 containing the demand input for the model (and is an update of the non-public library reference PR-LR-N2012-1/NP1).

While the Public Representative at this point has no opinion on whether such materials should remain under seal, the Postal Service has expressed its desire to keep those materials nonpublic. Therefore, the Public Representative incorporates the Postal

Service's Application for Non-Public Treatment filed December 9, 2011 as the basis for filing PR-LR-N2012-1/NP2 under seal.¹

Respectfully Submitted,

/s/ Christopher J. Laver
